IDIA COLLEGE
OF TECHNOLOGY & DEVELOPMENT STUDIES

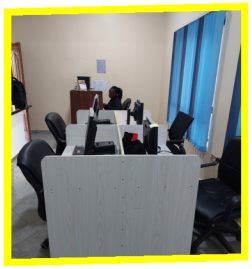
IDIA College of Technology and Development Studies, established in May 2012, is a private institution dedicated to excellence in technical education.

Our mission is to foster transformative leadership and sustainable development through training, research, and community service.

We collaborate with Great Lakes University of Kisumu and Jet Out2Reach Goshen to enhance education and mentorship programs for marginalized youth.



TRAINING AND LEARNING MODEL

Competency-based approach that provides relevant skills, knowledge, and attitudes for workplace performance.

Adult learning principles, problem-based and student-centered approaches.

FOUR-PILLAR MODEL

- Learning through Teaching (LTT)
